

About the IEEE Information Theory Society Paper Award

The IEEE is the world's largest professional organisation dedicated to advancing technological innovation and excellence for the benefit of humanity, with more than 430,000 members in over 160 countries.

The Information Theory Society Paper Award is given annually for an outstanding publication in the fields of interest to the Society appearing anywhere during the preceding four calendar years. The purpose of the Information Theory Paper Award is to recognise exceptional publications in the field and to stimulate interest in and encourage contributions to fields of interest of the Society.
