About the consultation process

The Taskforce's thorough consultation process ensured that all stakeholders had the opportunity to provide their comments. To gather comments from stakeholders, the Taskforce emailed about 300,000 University stakeholders, including all Council members, College Boards of Trustees/Committees of Overseers, academic and non-academic staff members, students and alumni on January 17, 2023. The stakeholders were invited to send in their comments and feedback on the 2016 Proposals and the 2022 Proposals in writing, with the deadline for submission being February 28, 2023.

Additionally, the Taskforce received views and feedback from stakeholders at two on-campus sessions on February 21 and 24, 2023.
