

“CUHK Entrepreneur Day 10th Anniversary Innovation and Entrepreneurship Exhibition: CUHK Innovations · Brightening the Future” Participating Projects (23 teams in total)

CUHK InnoHK Research Centres	
1	Center for Neuromusculoskeletal Restorative Medicine – Professor Patrick Yung and Professor Woody Chan
2	Centre for Novostics – Professor Dennis Lo
3	Centre for Perceptual and Interactive Intelligence – Professor Helen Meng
4	Microbiota I-Center (MagIC) – Professor Siew Ng and Professor Francis Chan
5	Hong Kong Centre for Logistics Robotics – Professor Liu Yunhui
6	Multi-scale Medical Robotics Center – Professor Philip Chiu and Professor Samuel Au
Approved RAISE+ Projects	
7	3D Vision-Driven Robots – Professor Liu Yunhui
8	Accessible Surgical Robotic System – Professor Samuel Au
9	Engineered Osteochondral Tissue for Cartilage Regeneration Therapy – Professor Barbara Chan
10	Intelligent Wearable Sensing Technologies for Eldercare and Prevention of Cardiovascular Diseases – Professor Zhao Ni
11	Network Coding for Next Generation Networks – Professor Raymond Yeung
12	Seeding the Future: Soybean Cultivation for Food Security and Environmental Solutions – Professor Lam Hon-ming
13	Silicon Photonic Integrated Circuits for Sensing and Optical Interconnects – Professor Hon-ki Tsang
Outstanding Alumni Projects	
14	BioMed Technology Holdings Limited
15	Jiada Cloud Technology
16	Hong Kong Technology Venture Company Limited
17	Insight Technology
18	Luquos Energy Limited
19	NEX Team Inc.
20	Rice Robotics
21	SenseTime
22	Science and Technology for Autism Remediation (STAR) Limited
23	VoiceAI Technologies Co., Ltd.
